LIT REVIEW: Hello everyone I am a grateful recovering addict my name is Jeff. South Jersey Area Lit Review Sub Committee meets the 2nd Sunday of every month at 3 pm on the Zoom Platform the meeting ID is 848-0773-7900. Like I reported the last time we meet World Service has released the approval draft for the SPAD book on PDF and the have printed draft copies available for \$10.00 through the na.org products store. Lit supply has informed me that they ordered in some copies for special purchase with your normal HG lit orders please see TJ R or Matt F for more info on ordering a copy through the SJASC. Last month at the committee meeting the committee split us the SPAD book into 3 sections for each of our members to review so that collectively we can come to a consensus on how the over all project turned out. As a committee we plan to continue that process and are looking to put together a joint event sometime in March around the SPAD project. Once planning for that comes together, we will have flyers sent over to the web page promptly. Lastly, we encourage all members to bring awareness to their respective groups as this book will be the only motion entertained at this year's interim virtual WSC. That is all I have to report at this time thank you for allowing me to serve.

ACTIVITIES CHAIRPERSON: Hi my names Andrew, and I'm an addict.

The activities committee had a speaker jam scheduled for January 29th. Our next event will be a combo lit review/activities venture on Saturday the 19th at St Charles Borremo from 1-5 pm. The purpose of this event is too educate the area on the new spiritual principles a day book slated to be decided in this years CAR cycle. There will be a workshop about the book as well as speakers sharing their exp strength and hope on some of the principles featured in the book. All are welcome. Food fun fellowship. We are in DESPERATE NEED of committee members. As of now there are only 3 total and it is very difficult to do the events with little help. We receive lots of indirect criticism but not a

I am going to use my report time to go over the C.A.R. Motions and will give a more detailed report of last Region next month.

We have 4 Motions that need to be voted on for this years C.A.R., I am asking that the groups try and vote on these motions in their next Group Conscience meeting and get the tally sheets back to me at next months Area. I will be attaching the Tally sheet to my report or you can access it on the Area website. If you attend Area virtually you can contact me at 856-761-2079 and we can work out getting your group votes to me. Your group can submit their votes electronically through the Regional website through April. If for some reason your group is not having a group conscious meeting before the next ASC and you do not want to submit electronically, contact me and I'll get your votes to the RD. We would really like to have all the votes in at the March Area to be submitted together. The RD is collecting tally's from all the Areas in the Region and this helps simplify that process for her to carry our voices to the Service Conference. The first motion is a mouth full, I will give a little explanation to help understand what the motion is referring to. ANY questions about the motions or tally sheet do not hesitate to contact me.

Motion 1 discusses the FIPT Fellowship Intellectual Property Trust. The FIPT is a document that has rules surrounding the use and management of the fellowships intellectual property, which is our literature. The literature belongs to the entire fellowship but since we can't all control it at all times we place the management in the hands of the world board on NA. Members elected by the fellowship to serve as board members to world services. The FIPT is essentially a legal document outlying this relationship. A section of the document had a rule that allowed for any one region to audit the world board upon request and the WB has to comply. This rule was excercised once in the 30 years the FIPT has been in existence. The WB complied but later said that the audit was too much to endure and placed a motion in the World service

conference to suspend this rule until they could replace or edit it, that Motion passed. That was supposed to happen in the last cycle which has been postponed because of Covid. Motion one asks to continue the suspension of this rule within the FIPT until a later date.

Thank you for allowing me to serve,
Michelle G

An explanation of Motion 1 can be found at the end of the RCMA report.
